Compassionate Care of Shelby County's Mid-Year Report to Donors

Thank you for compassionately helping us

meet the health care needs of the underserved.

2010

Compassionate Care has been able to do a lot for our community with your support in the first half of 2010. Your help has enabled us to realize our mission of "providing quality care and hope to the underserved in Shelby County."

We invite you to look at what you have helped us accomplish:

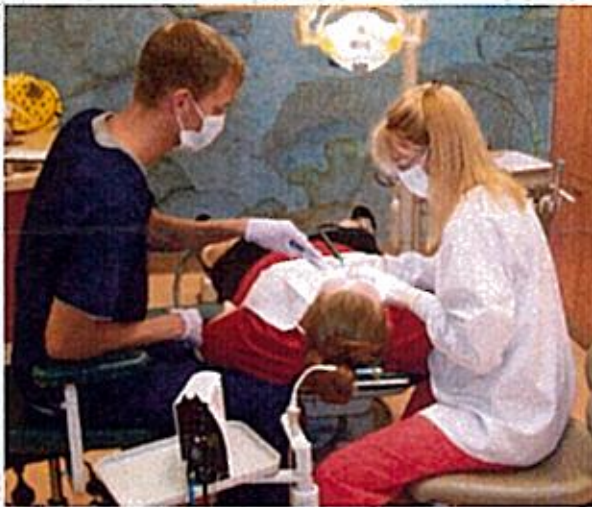

Number of Different Patients Served: 781

Number of Medical Visits Provided:

1,842

"This facility literally saved my life!"

"Wonderful, first time in a dentist chair and I feel no pain. Dentist was very pleasant and accommodating."

Number of Dental Visits Provided:

276

"I think you are providing a tremendous service to the community and I am very grateful to be able to receive the care that CCSC provides."

Number of Prescriptions Provided:

1,613

Your support has made quality compassionate care a reality for your underserved neighbors.

Thank You!
